OUR PURPOSE

SHARING THE GOSPEL

Sharing the Gospel of Jesus Christ

ENGAGING IN MISSIONS

Engaging in missions at home and overseas

WELCOMING PEOPLE

Welcoming people into the church family

ENCOURAGING DISCIPLESHIP

Encouraging believers to grow as disciples of Christ

INSPIRING WORSHIP

Inspiring in them a passion to worship and honour God in their daily lives

Therefore, since we have been justified by faith, we have peace with God through our Lord Jesus Christ (Romans 5:1 ESV)

We are a Bible centred family church with a vision to make Christ known in the local community and throughout the world.

We believe that Jesus Christ is the Son of God and that His death and resurrection is Good News for everyone who places their faith in Him.

OVERSEAS MISSIONS

Community Church Sheppey supports overseas missions with a main focus on Uganda. We also have links with a church network in India.

Projects in Uganda include the sponsorship of children in education and supporting medical missions. In the past we have raised funds to build 4 village churches and a Christian based school.

For more details of our continuing involvement overseas, including mission trips speak to the pastor.
